

7 WAYS TO SPREAD THE LOVE OF JESUS

During the Christmas Season

1

Start by making a list of people that you would like to thank for their influence on your life. Give them a call. Write them a note. Text them. Our time is short on this planet, so let's take advantage of the time we have and encourage as many people as possible. Hebrews 3:13 says that we should encourage one another daily so that we will not be hardened by the deceitfulness of sin.

2

There are many ways to encourage people during this Christmas season. Baking is always GOOD! Take some pie or cookies to your neighbors. Share with them the love of Jesus during this Christmas season. If you can sing, then sing them some Christmas carols.

3

When you are checking out at every store location, say out loud Merry CHRISTmas. Emphasize the name Christ in the word "Christmas" by saying "Christ" first and then "mas." Make sure you have a smile on your face when talking about Jesus.

4

Spreading the love of Jesus could mean that you give some money to a homeless person and share with them the love that you have for Jesus.

5

Also, out of nowhere, give a friend some money simply as a love gift. Tell them that you are getting something for Jesus this year for Christmas, and this is part of it.

6

In church during the Christmas Advent, be especially friendly and loving. Hug a little longer. Smile a little bigger. Compliment a little more.

7

Sharing the love of Jesus during Christmas is simply being you and sharing your spiritual gifts with the people you meet. You can also be like this for the rest of the year.

During Christmas!*
